Cash4Coins

We can accept any old coins, bank notes from the UK or around the world, whether current currency or not. With parishioners returning from their summer holiday they may well have unused currency they wish to donate, again either notes or coins can be accepted. There is a jar at the back of both churches where donations can be placed. Working with Cash4Coins, a currency service for charities, all the above can be converted into UK legal tender for the benefit of the SVP both locally and to support the wider work of the Society.
